

How can I raise money for the Malawi CDC?

- ❑ Hold an A-thon.
 - Example... Walk-a-thon, Dance-a-thon, Text-a-thon ☺
- ❑ Find a volunteer to shave their head if you meet \$X.00 raised.
 - Example... Teacher, principal, youth leader
- ❑ Grab & Give dish.
 - Put 100 pieces of paper in a dish with amounts from \$.25 to \$5.00 and try and find 100 people who will grab and give the amount on the paper they pull.
- ❑ Make something to sell, possibly a seasonal item.
 - Example... Evergreen Christmas wreath or meat pie's
- ❑ Run a stay young campaign. Have people sign up to skip a birthday, giving all their birthday cash to the project. Aim for lots of people to join, do big push at school, online etc..
- ❑ Hold a December Dip.
 - Polar bear style dip in December for dough. All participants required to have min \$25 sponsors as example. Throw a little party after as thankyou so kids want to join you. Advertise it online, try and get a big crowd.
- ❑ Think of a small business idea to give all profits to the project.
 - Card making, make videos for people for birthday/anniversaries, jewellery... the skies the limit!
- ❑ Do a pre-Christmas toy drive. Collect ONLY "like-new" toys and have a toy sale with proceeds of toys going to project (kids in Africa). Advertise online, enlist others to join your team etc.
- ❑ Teach a senior computer skill or tutor someone or babysit.
- ❑ Hold a fast to feed an orphan.... These ideas are just the start!
