

ATTENTION NAZARENE YOUTH GROUPS

We need

YOUR YOUTH GROUP

You can make a BIG difference

Malawi Child Development Center

NCMC is working with NYI in an effort to engage youth and give opportunities to Nazarene youth to develop compassionate lifestyles at home and to begin to also think global through opportunities to support a Child Development Center in Malawi, Africa.

A CDC is a child development center that ministers in a holistic way to orphans and vulnerable children as well as needy children in a community. The center is supported by local church volunteers who provide a healthy daily meal, support with education and school supplies, medical checkups and opportunities for income generating activities for their families.

We know every youth group has worked hard to fundraise for NYC!! BUT we are asking every youth group to support this initiative by committing to one youth group fundraiser this fall (2011). Take the theme of NYC 2011 - a world unbroken and each do their part to make a difference, bring healing and wholeness for the most needy & vulnerable in Malawi. Encourage the youth to do one more, even when they won't be the beneficiary.

Funds raised by each youth group can be submitted in one of two ways. Send a check from your youth group to Nazarene Compassion Ministries, Church of the Nazarene Canada, Unit #9, 20 Regan Road, Brampton, Ontario, L7A 1C3 and be sure to mark it MALAWI YOUTH PROJECT. But it's essential to include your district for tracking (as each district is trying to raise \$5,000 as a minimum).

Or you can give the money raised to your local church and it can be receipted and the money qualifies for 10% giving. The youth leader needs to make sure to give the Church the proper information... that the funds get sent to National Office and Marked to NCMC - Malawi Youth Project.

At anytime if you have questions we have a Facebook page set up for the contest we are running along with the youth group challenge, please post on it anytime or email me, Jodi Getson, jgetson@firstsonsite.ca and I will help you out. Facebook group name "Nazarene Youth Contest - Malawi Youth Project".
